Dear Parents and Caregivers – Kia Ora Koutou

Uniform

The Board has listened to parental feedback and will proceed with an optional uniform starting the phase in at the beginning of 2016. The school is currently organising quality but well priced red T-shirts. These will be labelled with the school name. Children can choose any type of black “bottoms” (shorts, trackpants, skirt) to go with the red T-shirt. Look out for the display/photos later in the term.

Nit Busters

Want your child treated but they're too shy to have it done at school? Contact us and it can be arranged for someone to do it in your own home. It would be great if students could be treated before going on camp to stop the spreading.

Thank You to Activate Church Members

A big thank you to the group of Activate Church members who did a working bee at our school on Sunday, washing the exterior of the buildings and gardening. You are wonderful!

Free Desks

We have blue and red desks that are free to a good home. Phone the office or call in if you are interested.

Grandparents Hui

Thank you to the Grandparents that attended the hui yesterday at school. You will get sent a copy of the ideas discussed, along with the next meeting date.

Senior Camp

Just a reminder that camp fees are due. Please ensure your child's medical and consent forms have been handed in to the class teacher.

Middle Team Camp

Last week's Middle School camp to Auckland was an outstanding success. They visited Butterfly Creek, MoTaT, One Tree Hill and slept the night at Kelly Tarlton's. All students were extremely well behaved and were true Insoll HERO's. Our guide from Kelly Tarlton's said our group was the best behaved school he had seen with excellent manners, lining up for breakfast, organised with all their sleeping gear tied up before he even checked. Thanks to the wonderful whanau that supported us – we couldn't do this without you. Thank you to our amazing camp cook Mum, Darise, you helped save us a lot of time and preparation with organising and cooking all our food. To the Board of Trustees, thank you for the extra financial support you gave us to have these amazing experiences that support our concept learning. Here are a few photos to show some of our learning.
