You can phone for a time or return the slip

Time to Update - Parent/Caregiver Contact Details

We are having trouble getting hold of a number of parents/caregivers as the contact numbers we currently have on file are out of date. It is important for us to have the correct details in case of an emergency or accident. Please let the office know if you have a different phone number and address.

Head Lice

We have a **lot** of children coming to school that are heavily infested with head lice. We are asking parents/caregivers to **please** be proactive about treating your children's hair as it's really becoming a serious issue. Product is available at the office.

Extension te Reo Māori – Akina te Reo

We are offering extra te reo Māori lessons to those families who would like their child to participate. This is over and above the te reo that all children already learn in class. This is for children in Whānau Kaho (years 3-4) and Whānau Mahuri (years 5-6). Note, these lessons will be done in class time so your child will miss some learning time in the English medium (approx. 60-80 minutes per week). Please return the slip below if you are interested.
