## NEWSLETTER

Newsletter No 10 Term 3

### Dear Parents and Caregivers – Kia Ora Koutou

This is the last newsletter for Term 3. Have a very enjoyable and safe 2 week holiday. We will see you all back on **Monday 14 October** ready for learning at 8.45am.

### Measles

We are currently updating our immunisation register. Children travelling to Auckland on the Kelly Tarlton's / Butterfly Creek trip next term will need to tell school of their immunisation status. If you could drop off, for photocopying, any proof.....*Well Child Book, immunisation record*....this would be really helpful.

Are you going to Auckland in the school holidays? None, unsure or in-complete vaccinations? See your doctor now for your free vaccination so you will be protected by the time you travel.

## **New School Donations Scheme for 2020**

The Government has offered to pay schools \$150.00 per child, per year, if the Board of Trustees opt into the scheme and not to ask parents/caregivers for donations/koha, except for overnight camps.

### **Our school Board have opted in to the new scheme**

This will remove parent payments for day trips, visits, theatre shows etc. If you'd like further information about this, have a look at the below link:

## **Visit from Fonterra**

As part of our Learning around the Entrepreneurial World, last Friday, Te Whanau Mahuri (senior school) were lucky to have a team from Fonterra in to learn how milk gets from cow to milking shed to products. We all wore hair nets and some face masks. We saw how butter can be made from cream. Some children had to shake the container for as long as they could, then share it with someone else. Some of the children dressed up like the jobs that are part of the Fonterra factory. We would like to thank the Fonterra team that came – Whaea Sandra and Whaea Jean. Have a look at the photos in the attachment.
