Health and P.E. Curriculum

As part of our learning at school, classes have regular P.E. (Physical Education) and Health lessons. Our areas of focus for health are Body Care and Physical Safety, Physical Activity and Food and Nutrition. If you have any queries or concerns, please feel free to call into school and talk to leadership staff about this. From 21 March for two weeks, you will see the Life Education truck parked at school. This hi-tech mobile classroom will give health lessons to all classes. There is no cost to parents as our BOT is funding this exciting learning opportunity.
