**NEWSLETTER**

Newsletter No 7 Term 3

**Dear Parents and Caregivers – Kia Ora Koutou**

**Staff at Union Meeting – Late Start Monday 12th**

As you will be aware from previous newsletters and the media, all Hamilton Teachers and Support Staff who are union members will be at a meeting from 9.00am to 11.00am on Monday 12th September.

If you could help out by keeping your child/ren at home until 11.00am that would be greatly appreciated. If you can't, due to work or course commitments, children will be supervised at school by non-union staff.

The procedure for the morning is:

- Children needing supervision are to take their bags to their classroom cloakbays and when the bell goes at 8.45am they will go to the hall.
- Children who are able to start late at 11.00am are to take their bags to cloakbays, have a short play and when the bell goes at 11.20 they will go to class.

Thanking you for your co-operation.

## Senior Camp

Letters have gone home advising families how much is still owing on their child's camp account. Please ensure payment is made as soon as possible so your child gets to go on this exciting trip.

## Junior School Cross Country

- Thursday 15 September at 11.00am
- Postponement date is 16 September at 1.00pm (*please note the change in time*)

A warm invitation is extended to all whānau to come along and cheer their children on.

## Headlice

We know the higher the percentage of children checked and treated will make it easier to eliminate lice for everyone. You can use Heather our KidsCan Champion to just check, or check and treat. She can also supply product and combs so you can treat at home. Please make use of this great service

## Road Safety – Gate Exits

As a school we try to keep the children safe especially around traffic. For this reason we expect them to use the pedestrian crossing and stay on the footpath and not cut through the carpark. Children should not be using the gates at the far ends of our property as then they don't use the pedestrian crossing. Children learn by watching others, so if adults could model keeping safe then kids will do this too. Thank you for your support.

## School Banking

First Credit Union provides a school banking service to all pupils at school. Getting started is easy - just pick up an application pack from the school office, fill in the application form and return it to the school office. If your children are already doing school banking, remember that the school banking is collected on Wednesday each week!
