Dear Parents and Caregivers – Kia Ora Koutou

School Hours

- Lessons start at 8.45am
- Morning Interval 10.40-11.00am
- Lunch 12.30-1.15pm
- School finishes at 2.30pm

Safety at School

To improve our safety at school we are implementing a new system for when children leave school early. When a parent/caregiver/person pick up a child from school before 2.20pm they will need to “sign out” at reception and collect an “early exit ticket” to give to the class teacher.

Cross Country

Children/classes will be running now to get fit for both Team Cross Country Events and Inter-school Cross Country on 29 August. It does take time to gain fitness, so for those children who are really keen to compete they need to run every day now. Please send a note if there is a medical reason your child cannot run or walk fast.

First Aide

This week all children have had lessons with Max or Daniel from St John’s. Ask your children what they have learned.

Mathematics

We are currently having a big focus on mathematics at Insoll. An outside expert/facilitator is working with staff and in classrooms. Children may talk about lessons with Whaea Rhian. We will also be celebrating maths week in week 4, August 14-18. More details soon.

Thefts

From time to time we experience thefts of scooters, lunches, shoes and money. Please watch what your child brings home and encourage them to be honest and return any school property that is not theirs. Remind children to report any losses to teachers as soon as possible.

Students who have been chosen to represent this team have been notified. The games are held on Wednesday afternoons/nights between 4.00pm and 7.00pm at the YMCA gym. Trainings are at school on Tuesday and Wednesday during interval.

School Photos

The photos have arrived and parents/caregivers can pick these up at the school office.

Parking Outside School

We appreciate how difficult it is for everyone to get a park right outside school at 2.30pm. Have you considered:

- Coming a little later, say at 2.40pm so that not everyone is parking at 2.30pm.
- Pre-arranging with your child to meet them down the road further

Our school neighbours are having their driveways obstructed which is a concern. If we can't resolve our parking issues, the Hamilton City Council may send parking wardens.

Fibre helps us feel full for longer and keeps our digestive system healthy. Increase fibre by replacing ½ the white/plain flour with wholemeal flour.
