Enrolment Zone

Enrolment at Insoll Ave School is governed by an enrolment scheme, details of which are available from the school office. Our Board has determined that 10 places are likely to be available at New Entrant level for out of zone students next year

Applications for out of zone places are now being invited for those students who will become eligible for enrolment during 2020. If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. The deadline for receipt of applications for out of zone places is Friday 15 November 2019. An application is done by providing a letter to our office, stating the child's name, date of birth and address.

If you live in the home zone and have not yet signalled your intention to enrol your child later this year, please contact the school immediately to assist us to plan appropriately. If you require any further information, please don't hesitate to contact our school office.
