Dear Parents and Caregivers – Kia Ora Koutou

**Computers in Homes Programme**

Congratulations to the 11 parents who completed their training course this term and got to get a computer to take home. We hope this will help the whole whanau with learning.

**Junior Classes to Visit Kelly Tarlton's**

A reminder that the permission slip and money for this trip needs to be brought into school as soon as possible. If you don't have the money right now, still send back the permission slip to keep a seat on the bus for your child/ren. There are so many (way too many) parents who want to go as helpers and the school can't afford an extra bus or the \$32.00 entry fee – so all parents names will have to go 'into a hat' to be drawn out. If you've had a change of plan and can no longer go as parent help, please contact school so we know. A special note will be sent home letting you know if your name has been drawn out or not

## Lunches

In this colder weather children need a lunch that is filling and nutritious. For this reason we suggest sandwiches. While the kids love "snack pack" type food, it isn't very filling and the high sugar and salt is not good for their health or learning – so send sandwiches please if you could.

Children can come for the emergency sandwiches, which are provided free if they have NO lunch. However we do now have a **problem** as some children are being entrepreneurial and;

- Spending lunch money at the shop on lollies and then asking for free sandwiches
- Not making/bringing lunch from home as it's easier to get the free ones.
- Eating their own lunch and asking for sandwiches as well.

If your child has a genuine need, you can send them to school with a note or you could text or phone the school and we will ensure they get lunch. We don't want any children staying at home because they don't have lunch – we need them at school so we can help them with learning. Success in learning at school opens the doors to opportunities for them later in life.

## Te Wiki o te Reo Maori (Maori Language Week)

Te Wiki o te Reo Maori is fast approaching. We have a jam-packed week filled with lots of exciting activities for the whole school to participate in. Each day, the students will be involved in an activity, which is based around this year's theme – Place Names. Each class has selected a place within Aotearoa to study and research and will complete the weeks activities based around their learning.
