## NEWSLETTER

Newsletter No 1 Term 1

**Dear Parents and Caregivers – Nau mai haere mai**

Welcome to the 2020 school year. A very warm welcome to all our new students and families.

While school has just started for your children this week, the holiday period has been busy. Your children are now enjoying the benefits of the following:

- Air conditioning in every classroom
- Basket swings (see photos on last page)
- Room 3 is currently being upgraded into a better learning space.

### Swimming

The pool is up and running and very popular especially at lunch times. Please help your child to remember togs and towel every day.

### Hot Days

During the next few weeks please support your child by ensuring they have a green sunhat and appropriate cool clothes.

### Stationery

You can purchase stationery from our school or any local retailer. We appreciate this getting done as soon as possible to enable our students to get straight into learning.

#### **Classroom Attendance**

Room 6 won term 4 2019 classroom attendance competition and received a lunch of MacDonalds.

### Keep the Drop Off Zone Flowing

Our drop off zone is designed so that parents/caregivers can drive into the school carpark and their kids quickly get out of the vehicle to go to class and the vehicle drives on. We are getting a number of people who are blocking the way of others and not keeping the quick flow going. Please be considerate of other drivers and if you are going to need a bit of time, then park outside the school gates. Thanks for your co-operation with this.

### New Basket Swings

In 2019 Room 15 wrote to the Board of Trustees asking if they would consider installing swings. The Board agreed and these were installed during the holidays. The children who had been in Room 15 last year got to have first turn on them since it had been their initiative.
