## NEWSLETTER

Newsletter No 5 Term 1

Dear Parents and Caregivers – Nau mai haere mai

### Stationery

There are some children still without stationery. We are already half way through the term and it is important that children have the necessary books. Please see your child's classroom teacher if you wish to discuss this.

### Swimming

Note on the coming events opportunities for parents/caregivers to see their children swim. Special notices from class teachers will also be sent home.

Fairfield Swimming Club instructors have also identified a team of 12 swimmers who will receive additional coaching. These children will have special notices home.

'If, as a parent, you are interested in taking part in the Fairfield Swimming Club based at Fairfield College, ask at our reception and we will give you the contact information.

### Te Whānau Mātai and Te Whānau Kahikatea (Seniors) Swimming Sports

25 March: Year 4's competing

26 March: Year 5 and 6's competing

Time: 9.15am

Parents and whānau are welcome to come and support your children.

### Trips

Over the next few weeks families will get notices from teachers about class day trips. Note, as our school is part of the Government No Donations Scheme there will be no cost for entry fees or bus fares. However a signed consent form is required before children leave our school grounds.

### Corona Virus

Schools are getting regular updates from the Ministry of Education on this issue. The Ministry is suggesting as a good health practice that we teach/encourage good handwashing. It's something everyone should do at home too.

In the event of an outbreak/change to the current situation, schools will be under the direction of the Ministry of Education and Health.

### Coming Events

## **Community Notices**

### **Te Kete Aronui – Literacy and Numeracy Programme**

Te Kōhao Health is excited again this year to offer Te Kete Aronui, a literacy and numeracy programme, to support tamariki to thrive in education. Our programme will continue to provide a combination of both computer based and written learning activities in a small group environment. This year we will be including the younger age groups from year 1 to 8. This programme will continue to be run from the Enderley Community Centre on Tennyson Road, Enderley. For now they will be run on Tuesdays, Wednesdays and Thursdays during school terms.

As parents/caregivers we encourage you to be involved.

1. The cost is \$5 per child per session, please bring the right amount.
2. Please make sure your taura brings along a full drink bottle with them to each session.
3. From time to time homework will be given to complete. We encourage whānau to support their taura.
4. Each taura must arrive on time. If your taura is going to be away from a session you must notify me or Raima.

A light afternoon tea will be provided for taura during each session. Please note that this programme is not a Kip McGrath programme. We look forward to working alongside you all and if you have any queries please contact Jonas or Raima.

### **Immunisation Records and the Immunisation Certificate**

Your doctor or nurse will keep a record of the immunisations your child has been given. The information is also held on the National Immunisation Register (NIR). The immunisation is recorded on the Immunisation Certificate in your child's Well Child Tamariki Ora My Health Book. You will be asked for the Immunisation Certificate when your child starts at an early childcare service, kōhanga reo or primary school. The certificate shows which childhood immunisations your child has had. Your doctor or nurse signs the certificate when they give your child the 15 month old immunisations and again after the 4 year old immunisations. You will be asked to produce a signed certificate even if you have decided not to have your child immunised. Your doctor or nurse can sign the certificate at any time. Children can still attend an early childcare service or school if they have not been immunised.

The early childcare service or school will record the information from your child's Immunisation Certificate on their immunisation register. You can check this at any time.

The Medical Officer of Health will check the early childcare and school registers if there is a threat or outbreak of a disease. If you are unable to provide an Immunisation Certificate, our Public Health Nurse can access this information for you. Please fill in the slip and give to the school office if you would like the Public Health Nurse to do this.

=====

### **Immunisation Records**

I give permission for the Public Health Nurse to access and share immunisation status with parents/caregivers and school

Child's name..... Date of birth .....

Parent/caregiver name.....

Parent/caregiver signature.....
