NEWSLETTER Week 11 Term 2

Dear Parents and Caregivers – Nau mai haere mai

End of Term 2: Friday 3 July
Start of Term 3: Monday 20 July

Leaving School Early

We noted that last week on one of the very wet days that lots of parents phoned or called in wanting to pick up their children early. With 351 children at school, it is not viable for staff to be getting those children or for the class and teacher to be interrupted all the time.

If parking is congested, just come a few minutes later. The children are ok to wait with staff at the front of the school.

Appointments During School Time:

We know that sometimes important medical appointments have to be taken during school time. When this happens and you need to pick up your child early, please phone school in the morning or send a note with your child, then we can organise for them to be ready at the specified time.

School Photos

PhotoLife Studios will be here on Tuesday 30 June to take class and individual/sibling photos. Order forms have now gone home. Just a reminder that payment is always required prior to the actual photo day. You will have a choice of:

- Class photo – standard \$16.00 or upsized \$18.00
- Packs with individual and class photos - Value \$32.00, Premium \$38.00 or Ultimate \$43.00
- Sibling photos – small \$20.00 or large \$30.00

Meeting Teachers

If all is still well in our country with Covid-19, then parent/teacher conversations will be held halfway through next term. They will be held after school and evenings of the week of 18, 19 and 20 August. Appointment slips will be sent home closer to the time.

Dental Assistance For Your Children

At this stage we are unsure when the mobile dental van will be at our school. However, if your children need a dental check, then don't hesitate to contact the local satellite clinic based at Fairfield Intermediate School. Give them a call on their free phone number which is **0800 talkteeth** and you can make an appointment.

Back Gate

We have recently enrolled some new little children who haven't yet learnt school rules/boundaries. For their safety, the back gate will need to stay locked. The duty teacher will unlock it in the afternoons to take the back walking bus out. Thanks for your understanding with this.
