Teacher Only Day So Staff Can Undertake Professional Learning

Until advised otherwise by the Ministries of Health and Education, school is open with restrictions. Our site is a kid and staff only zone with restrictions on visitors, parents and outside agencies.

At school we will go back to:

- Teach/encourage handwashing, sanitising and cough etiquette (the moist breath zone).
- Continue with the two intervals and lunch breaks.
- No large indoor gatherings.
- Where practicable keep physical distancing.

You can help by:

- Practice healthy routines at home – good hygiene and lots of sleep.
- Keep home any children who are sick – allow the school site to be a healthy place for those who are here.
- Phone school if your child is away.
- Phone the Healthline number for advice – ph 0800 358 5453
- Arrange a place to meet your child after school so they know where to find you after they leave the gate.

Change in Date for Year 6 Visit to Fairfield Intermediate

Note there has been a date change from August to September for year 6's Orientation Visit to Fairfield Intermediate. They are now scheduled to go on Thursday 17 September.

After School Netball

Hamilton City Netball Centre have put together some strict rules and procedures so they can operate during Covid19, Level 2. The restrictions ensure that there are no more than 100 people in one area, they are able to track and trace if needed and that the kids still get to play. This week we are playing Nawton Anahera on court 9 at 6.00pm. The team need to meet by the BMX track at 5.20pm (promptly) so we can all walk in together. The game will finish at 6.47pm – which is when you can pick your child up from the pick up zone. Unfortunately there are no spectators during Level 2 restrictions.
