Parents in School

Under Alert Level 1 we are supposed to track and trace parents who come into school. This is difficult when parents come/go directly into the grounds and don't come via reception. Can ALL parents please enter school via reception to use the QR Code and/or get written into our visitors log.

Healthy School Lunches Programme

The Government is currently introducing a free, healthy, daily school lunch in some schools for all students. Our Board of Trustees has agreed to join the scheme which will begin in 2021. We will pass on more information to you as it becomes available.

T Ball and Softball Term 4

Due to the uncertainty of Covid levels over the coming months, it has been decided that we will not be offering these sports in Term 4. We are sorry to disappoint those children who have been looking forward to playing this term, however we will review this situation for Term 1 of 2021.

Support for Parents

Our school has the free service of a school social worker. Whaea Tangiatua works for Family Works and is at Insoll on Thursdays and Fridays. You can contact Tangiatua directly on 021492975 or through our school office 0800 855 506.

Te Whānau Kahikatea (Rooms 14, 16 & 17) Trip to Rotorua

Our team are going on a trip to Rotorua to explore the science behind geothermal activity. Our trip is planned for Thursday 22 October (Term 4, Week 2). **We will be leaving school at 8.00am and returning by 6pm at the latest.** There is no cost to attend this trip. Permission slips will be handed out in the first week of Term 4, with more details of the specific locations we are visiting.

Te Whānau Matai (Rooms 4,5,6 & 7) Trip to Waitomo Caves

As part of our Concept learning next term around Physical World, our team will be visiting Waitomo Caves to extend the student's knowledge on our environment. The whole team will be travelling by bus. This trip is planned for Wednesday 28 October, Term 4. Permission slips have gone home. There is no cost to attend this trip.

Tania Dalton Foundation

As mentioned in the last newsletter, representatives from the Tania Dalton Foundation, Rebel Sport, and Chartwell Shopping Centre, came into the school to donate 60 sports balls. The Tania Dalton Foundation was established in 2017 after the sudden death of Silver Fern, Tania Dalton. Their aim is to provide financial assistance to young, female athletes who demonstrate sporting excellence. Currently, they are partnered with Rebel Sport to donate sports balls to sponsored schools. Whenever a ball is purchased at Rebel Sport with the wording "Pass it forward" on it, then Rebel set aside an identical ball. Balls are accumulated then they are handed out to schools. Insoll Ave was nominated by the Centre Manager of Chartwell Shopping Centre, who is an ex-student. The balls that we have received are worth \$1,500.00. We are very grateful for this generous donation.
