Newsletter No 9 Term 2

Dear Parents and Caregivers – Kia Ora Koutou

School Value

Our school value this term has been resilient and we've had to be with cold wet weather, winter illnesses and chicken pox in school as well.

Me aumangea – *Be resilient*

He tangata aumangea ahau – *I am resilient*

Have a great restful holiday break so children return to school resilient and are able to cope with a busy third term. Term 3 will be busy and exciting with winter sports tournaments, cross country running, orientation for year 6's going to intermediate, our major school production and parent teacher interviews mid term. Phew! Watch next term's newsletters for more information.

Te Wiki o te Reo Maori (Maori Language Week)

The first week back at school will be spent celebrating te Reo Maori with lots of great learning activities such as designing and making taonga (jewellery/treasure), making and using poi. We will end the week with a boil-up at lunch.

Advance Notice: The class teacher will ask your child/ren to bring either a gold coin donation (koha) or a vegetable item such as potato, carrot etc to contribute to the boil-up.

This year's Te Wiki o te Reo Maori theme is a little different. It is providing the use of language across the year with a new word every week. Families can join us on the journey as we learn the words. The first week's word is "apopo" (tomorrow).

Survey Forms

Thank you to those 20 families who returned their survey forms on bilingual education. We'll be in touch with you again in Term 3.

Trouble at School After Hours

We have recently had trouble with vandalism after hours at school. We note at weekends there are children climbing the fences and gates to get into the grounds to "play". Please remind your children that when the gates are closed they are not to be in the school grounds and that school after hours may not be a safe place to play.
